Velcro Curtains - Easy to Apply
Keep your Reach In Coolers Cold & your Isles Warm !

SAVE ENERGY DAY & NIGHT

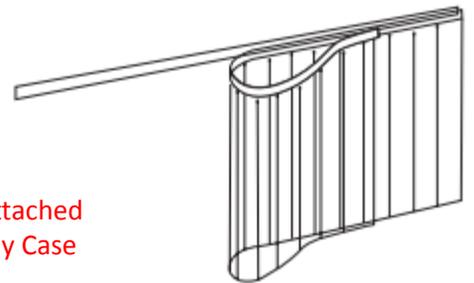

Velcro Strip Curtains are a simple Solution to Seal your open display cooler...providing savings in hydro...and reducing pre-mature food spoilage.

- Extends product shelf life
- Maintains constant holding temperature
- Slash compressor running time
- Create a more comfortable customer environment
- See-through thin gauge PVC lowers energy costs by cutting refrigeration costs.

Simply Peel back the Velcro to access the cooler for product stocking or cleaning...

6" X .06" Vinyl Strips are attached on the canopy of the Display Case and overhang the bottom...
